2023 GRAND TOURING LIMITED

// FEATURE HIGHLIGHTS

1 Rotax 900 ACE Turbo R engine

Now the most powerful 4-stroke engine ever offered in a Ski-Doo. Ferocious instant acceleration and top speed through bigger fuel injectors, increased boost and optimized intake and exhaust systems. The new cable activated iTC throttle better matches a performance rider's profile while offering three driving modes.

2 Premium Protection

23 in. ultra-high windshield, side panel wind deflectors, rear snow deflector and running boards with small openings all make for the most comfortable ride possible.

(See website for images)

3 Luxury Package

Three premium features consisting of a distinctive Platinum Silver and Spartan Red colorway, 7.8 in. wide LCD display with BRP Connect and a studded Silent Track II.

4 rMotion X rear suspension with Air Control Shock (ACS)

rMotion X redefines big-bump capability in the harshest terrain, while improving overall handling thanks to a longer front arm with adjustableangle design. Combined with ACS and its on-thefly preload settings, you have the best of both handling and adjustable comfort.

5 Large cargo box Hard-top weather-resistant LinQ box adds 62 L (16.1 gal) of storage on the tunnel.

6 Heated 2-up seat Premium 2-up heated seat with backrest, including handholds.
